

Old Economy Village 2017 Summer Camp

Instead of reading about history in a textbook or wandering through a museum, your child will experience the skills and crafts of the 19th century in a National Historical Landmark, Old Economy Village.

**Explore History
through
a different lens.**

Old Economy Village preserves and presents the life, thought, and material culture of the Harmony Society, a highly successful and entrepreneurial 19th century religious community. Old Economy Village is administered by the Pennsylvania Historical and Museum Commission and is actively supported by the Friends of Old Economy Village which is a non-profit community-based organization.
